We would like to participate in the planning of our Title IV program. We would also like to know any other areas where we could improve to better meet the needs of the community/school.

Please take a few minutes to complete this survey. Your opinions and needs are important to us and this survey will allow us to capture the necessary data to make improvements.

### School and Community Services

1. Do you know about the school's extra services (for example, counseling, speech therapy)?  
 Yes  No
2. Do you know about the school's referral program to community services outside of school? (examples may be adult literacy, health services, career development, parenting skills)  
 Yes  No
