PROPOSED BY VP Sponsorship Operations

PURPOSE

The OPENING ASSURANCES PROCESS provides for consistency in review of school documentation necessary to establish and maintain school's compliance with all applicable laws, rules, contractual obligations, academic performance measures and opening assurance guidance as prescribed by the Ohio Department of Education.

SCOPE

The OPENING ASSURANCES PROCESS is relevant to all CSS partner schools that are sponsored by St. Aloysius that are opening for the first time or opening a new facility and applies to all staff involved in the opening assurance visits.

PROCEDURE

The OPENING ASSURANCES PROCESS follows this process and timeline:

May	The Compliance Department to prepare timeline, ODE provided opening assurances document, staff roster, instructions, and individual assignments for assurances.
	The Compliance Department to obtain approval from President or designee to distribute documents listed above.

May/June	Staff Training
June-September	CSS staff must contact their assigned schools, and management company if appropriate, to schedule a day for opening assurances visits.
As appropriate prior to visit date	CSS staff must also fill out the ODE provided opening assurances document prior to the visit. Required data for each school is obtained by going into the OEDS-R system via https://oeds.ode.state.oh.us/SearchOrg and entering the school name. The IRN, address, OEDS-R admin, treasurer and superintendent and contact information is pulled from this system. Verify accuracy of information listed in OEDS-R with the school leader when you are on-site at the opening assurances visit and make any changes necessary to reflect what is entered in OEDS-R.
Minimum 15 business days prior to deadline to submit	All opening assurances visits are to be conducted and documented by the assigned CSS staff indicating any required follow up items.
Minimum 13 business days prior to opening date	Opening Assurances are followed up on and finalized by individual CSS staff with their respective schools. CSS Staff finalizes form and sends it to the Compliance Department. Compliance Department logs that it was received.
Minimum 12 days prior to opening day	Compliance Department saves the forms on the shared drive under opening assurances\SY\Review. Compliance Department reviews the forms and verifies it against OEDS-R and makes any necessary changes after conferring with the CSS staff or returns it to the CSS Staff to make corrections. Once the form has been reviewed and verified for accuracy the Compliance Department renames the assurances document with the naming convention that ODE specifies and is saved on the shared drive (opening assurances\SY\final. Compliance Department logs the date the document was finalized.
Minimum of 11 days prior to school opening	Compliance Department does final review and uploads Opening Assurances documents to ODE via Epicenter, as detailed by ODE and logs the date it was uploaded into Epicenter.

Prior to school opening	Compliance Department or designee will send out confirmation emails with the appropriate school's signed opening assurances attached to school leaders, management companies and boards verifying that the opening assurances have been completed and submitted on behalf of the school.
	If the school does not comply with necessary requirements and if deadlines above are not met, the President will determine the appropriate course of action. The required course of action will be communicated to the school and ODE through the President, the Legal Department or CSS staff assigned to the school depending on the issue and urgency. If all criteria are not met, the opening day may be delayed for the school. This will result in the Compliance Department verifying the number of days and hours of instruction and ensure that a revised calendar is submitted prior to the new opening date.
