PROCEDURE

The OPENING ASSURANCES PROCESS follows this process and timeline: For all schools that are opening spaces that are a part of the current address, the following process is followed with the exception of submission to ODE via Epicenter and the 10 day wait time.

May/June	Staff Training
June-September	CSS staff must contact their assigned schools, and management company if appropriate, to schedule a day for opening assurances visits.
As appropriate prior to visit date	CSS staff must also fill out the ODE provided opening assurances document prior to the visit. Required data for each school is obtained by going into the OEDS-R system via https://oeds.ode.state.oh.us/SearchOrg and entering the school name. The IRN, address, OEDS-R admin, treasurer and superintendent and contact information is pulled from this system. Verify accuracy of information listed in OEDS-R with the school leader when you are on-site at the opening assurances visit and make any changes necessary to reflect what is entered in OEDS-R.

The Compliance Department reviews the forms and verifies it against OEDS-R and makes any necessary changes after conferring with the CSS staff or returns it to the CSS Staff to make corrections. Once the form has been reviewed and verified for accuracy the Compliance Department renames the assurance document with the naming convention that ODE specifies and saves it on the shared drive (opening assurances\SY\final. The Compliance Department logs the date the document was finalized.
Minimum of 11 days prior to school opening	The Compliance Department does final review and uploads Opening Assurances documents to ODE via Epicenter, as detailed by ODE and logs the date it was uploaded into Epicenter for new schools and annexes. School remodeling assurances are saved but not required to be uploaded to ODE.

Prior to school opening	The Compliance Department or designee will send out confirmation emails with the appropriate school's signed opening assurances attached to school leaders, management companies and boards verifying that the opening assurances have been completed and submitted on behalf of the school.
	If the school does not comply with necessary requirements and/or if deadlines above are not met, the President will determine the appropriate course of action. The required course of action will be communicated to the school and ODE through the President, the Legal Department or CSS staff assigned to the school depending on the issue and urgency.
