Charter School Specialists Professional Development Catalog

2022-2023 Catalog

Charter School Specialists www.charterschoolspec.com

Launching Spring 2023

The CSS Literacy Initiative

Charter Schools Specialists will lead the way in addressing the literacy crisis among community schools in Ohio. We will do so by advocating for access to resources and opportunities, forging partnerships with key stakeholders, providing support and coaching for school leaders and teachers, and providing professional development that encourages the implementation of the science of reading. Stay tuned for:

- Professional Development Opportunities
- Guest Speakers
- Coaching and Plan Reviews
- Network Learning Opportunities

Recent Presentations

Youth Culture Power
Presenters Jason Rawls and John
Robinson

December 13, 2022 Click here to watch this presentation

Audience: (K-12 Teachers, Administrators)

This session is based off the presenters' book Youth Culture Power: A #HipHopEd Guide to Building Teacher-Student Relationships and Increasing Student Engagement. The presenters discuss student engagement through the Youth Culture Pedagogy approach, which is defined as an approach where learning scenarios can be developed using students' cultural experiences to assist learning.

Report Card Overview: Understanding the Early Literacy Component

October 25, 2022 Click here to watch this presentation

This session, presented in partnership with the ODE, provides a comprehensive breakdown of the Ohio Local Report Card's Early Literacy component and how scores are calculated starting in the 2022-2023 school year.

Mission

Charter School Specialists will be a high-performing sponsor that employs a team of qualified customer service-oriented professionals dedicated to increasing access to high-performing schools by expanding educational opportunities, improving school performance and ultimately lifting student achievement.

Ongoing Opportunities Available

*CSS provides training for individual schools and networks upon request

School Climate and Culture Workshops

The School Improvement Team at Charter School Specialists is offering School Climate and Culture Workshops that can be tailored to the individual needs of schools. Prior to the workshops, a needs assessment is completed to allow for the workshop to be customized to the school's needs. Coaching sessions are also available at the School Leader/Dean level of support. For more information, or to set up a time to meet in person or virtually, please reach out to the School Improvement team.

Deconstructing Learning Standards Workshops

The School Improvement Team at Charter School Specialists is offering workshops to schools on deconstructing content standards and building common understandings and vocabulary. Prior to the workshops, a needs assessment is completed to allow for the workshop to be customized to the school's needs. For more information, or to set up a time to meet in person or virtually, please reach out to the School Improvement team.

School Improvement Series

The SI Team hosted a training series on the core elements of school improvement planning. The series was designed to help schools leverage data, utilize root cause analysis, and develop actionable goals aligned to student and adult performance.

Archived Presentations

Additional Trainings Presented in Partnership with the Ohio Department of Education

The SI Team hosted a series of trainings, in partnership with the ODE, pertaining to the local report card changes and an overview of the dyslexia requirements for schools as outlined in ODE's dyslexia guidebook. The report card changes and dyslexia requirements will go into effect for the 2022-2023 school year and beyond.

Local Report Card Overview with Marianne Mottley from the ODE

June 24, 2022 Click here to watch this presentation

This session discusses the upcoming reforms to Ohio's school report cards starting with the 2022-2023 school year. Topics covered during this training include an overview of the component calculations, overall calculations, an overview of report only data, proposed ratings, and next steps.

Dyslexia Requirements Overview with Sherine Tambyraja from the ODE

June 21, 2022 Click here to watch this presentation

This session provides an overview to schools of the dyslexia support laws as outlined in ODE's dyslexia guidebook and going into effect starting with the 2022-2023 school year. A comprehensive review of the four components of the dyslexia support laws is discussed followed by a Q&A session with schools and the presenter.
