SCOPE

The ENROLLMENT AND ATTENDANCE MONITORING PROCESS applies to the Office Manager, Treasurer and all CSS staff attending governing authority meetings.

PROCEDURE

The ENROLLMENT AND ATTENDANCE MONITORING PROCESS begins at the start of each school year and is initiated and monitored by the Office Manager.

1. In August of each school year the Office Manager sends an email and spreadsheet to all school leaders, principals, superintendents, and management company personnel providing details about what information needs to be included in the school's enrollment and attendance report, a date to perform the enrollment and attendance count, a link to the training on HB 410 and a due date for submission of the count to CSS.
 - a. Count dates are selected randomly for the months of September, December, March and May at the beginning of each school year by the Office Manager to ensure samples are arbitrary.

- b. If a school is closed on the day of a required count, it may contact the Office Manager and change the date the count will be conducted.
2. The Office Manager prepares an internal spreadsheet which captures the following information for each school:
 - a. FTE (full-time enrollment) Count
 - b. Enrollment
 - c. Attendance
 - d. Attendance Rate
 - e. Lunch Count, if applicable
 - f. Sign-in and Sign-out Sheets, if applicable
 - g. If the School is required to develop the ESSA plan based on the report card GAP indicator related to chronic absenteeism this will be collected with the December submission.
3. All documents received from the schools are reviewed and the data is logged on the internal spreadsheet.
 - a. Reminders are sent to the responsible school personnel for submission of the student counts if the reports are not received by the due date.
4. The Fiscal Department pulls the FTE Count by month from the Community School Funding Report and logs it in the internal spreadsheet.
5. The Office Manager compares enrollment count, attendance count and FTE counts.
6. The Office Manager shall report attendance comparison results at the all-staff meeting following the count.
7. If an attendance rate is 25% or less for a DOPR (Drop-out Prevention and Recovery) school for two (2) reporting periods, the Office Manager shall notify the Vice President of School Improvement via email.
 - a. A question regarding how the school is implementing the ESSA plan related to chronic absenteeism will be added to the Attachment 6.4 questionnaire.

- a. The Director of Compliance or the Vice President of School Improvement, President and Management Team shall assign a CSS representative based on availability and proximity to visit the school within ten (10) business days unannounced to do a headcount.
 - b. At the visit, the CSS representative will collect documentation showing current days attendance and room assignments from the principal and then conduct a headcount of all students present at the school.
