

## THE 2023-2024 CHARTER RENEWAL PROCESS

The 2023-2024 charter renewal process was developed to evaluate schools with charter agreements ending on June 30, 2024. The charter renewal process, as outlined in the sponsor evaluation, consists of two parts: the **High Stakes Review** and the **Renewal Application**. The overall score is calculated using the Renewal Application Rubric which shows a scoring combination between this Renewal Application and the High Stakes Review. The Renewal Application evaluates the Contract Performance Measures as outlined in section 11.6 of the school's charter contract. This evaluation is worth 30% and the High Stakes Review is worth 70% of the overall score. The School must receive 75% of the total combined points from the Renewal Application and High Stakes Review for charter renewal. All data collected during this process comes from the most recent local report card which was issued in September of 2023 and previous local report card data. Each school is assessed on multiple years of student achievement, multiple measures of student achievement, financial audits, performance on site visit and compliance reports and if applicable status of corrective action plans or other interventions.
