INSTRUCTIONS

Please review these instructions, the enclosed timeline, and the attachment list before beginning this application. For more detailed instructions on completing this application, you may view the application webinar on the Charter School Specialists website or by clicking here: <https://charterschoolspec.com/sponsorship/applications/>

The application consists of questions in twelve (12) sections, to allow for an evaluation of the capacity of the applicant to operate a charter school.

- 1) The first step is to complete the *Notice of Intent to Apply*. This form can be found on the Charter School Specialists website under the applications section: <https://charterschoolspec.com/sponsorship/applications/> Alternatively, interested individuals may contact Charter School Specialists directly to request a copy of the Notice of Intent to Apply.
- 2) Upon submitting the Notice of Intent to Apply, the applicant may receive a Pre-Application Milestone Acknowledgement Form and Business Plan Template. After reviewing the Notice of Intent to Apply, the Pre-Application Milestone Acknowledgement Form and the Business Plan Template, if applicable, Charter School Specialists will provide the school with the next steps. Once all of the steps have been completed, the applicant will receive a **school specific** application, with unique links for uploading documents.
- 3) Next, complete all application questions and provide all required attachments to the application. All questions in each applicable section must be answered and all required attachments in those applicable sections must be provided for an application to be considered complete.

APPLICATION REQUIREMENTS

- Please see the “Scoring Rubric” of each section, for specific criteria required for scoring on each question.
- In preparing responses to the application, please keep in mind answers to the specific requests carry significance beyond determining whether the applicant will be granted a contract. The answers will determine the specific terms of the contract and will establish parameters for the operation of the school.
- Applicants should be aware that the school will be held accountable for commitments made in the application, and the applicant should evaluate all responses to make sure the proposed plans are reasonable, feasible, and attainable.
- Do not send unsolicited amendments following submission. If an item has been overlooked, please contact Jason Kee at jkee@charterschoolspec.com to determine the ability to submit additional documentation. *There will be a period available to submit supplemental information after the interview.*
- St. Aloysius and Charter School Specialists are looking for quality and clarity in the responses, not just volumes of information.
- Completion of the application does not guarantee a contract for a community school.

INTERNET- OR COMPUTER-BASED SCHOOL APPLICATION 2027 - 2028

- Also note that receiving a score of 75% on the application does not guarantee a contract for a community school, only that the application is eligible to be recommended for approval.
- Schools may now be in any school district and not only in challenged school districts. If the school is in a school district with lower free and reduced lunch rate or draws a high percentage of students with a lower free and reduced lunch rate, it may reduce the amount of state funds received.

ATTACHMENT REQUIREMENTS

- All attachments are required to be in **PDF format and titled with the Attachment Number**, unless otherwise indicated.
- For questions that request a narrative response, an attachment may be provided, or the text may be copied and pasted from a document into the text box.
- Some questions allow for an optional attachment in addition to answering the question or in lieu of answering the question.

APPLICATION SUBMISSION

- 1) The completed application and all the attachments should be submitted using the unique links that have been provided to the applicant. The final submission should include:
 - The PDF application with all the applicable sections complete.
 - The application should be saved as “School Name - New Application” (i.e., ABC School - New Application).
 - All required attachments should be saved as “Attachment Number – Name of Attachment” (i.e., Attachment 2 – Development Team Resumes).
 - Any optional attachments should be saved according to the Attachment Number and Name.
- 2) The checklist provided should be completed to reflect that all the required attachments have been included. Please note, this list is not exhaustive as there are additional optional attachments that may be included as well.
